Dear Mr. Miller, *Jerry!*

I wanted to take a moment to say thank you for attending our Career Technology Education (CTE) Roundtable last month. The event was a great success thanks to your participation and feedback.

The group's conversation and recommendations will greatly assist us in developing a long term CTE funding strategy and I look forward to working with you to implement the recommendations into real programs that will benefit Northern California students.

Thank you again for all of your hard work. If we can ever be of any assistance, please don't hesitate to call (916) 651-4002.

Warmest Regards & Happy New Year,

MIKE MCGUIRE
Senator
